[REDACTED] arrived 1 September to take over as Chief of the Supply Division, Office of Logistics. He will report for duty after Labor Day. I discussed with [REDACTED] who would be the senior officer to serve TDY until the Chief of the [REDACTED] is selected. It seems that the only person in Logistics readily available for this purpose is [REDACTED] who will be sent out as Acting Chief on a temporary basis, not to exceed sixty days.

2. Pay Raise

The following is an extract from the Journal of the Office of the Legislative Counsel, Monday, 24 August:

"8. (Internal Use Only - JGO) Met with Mr. Charles Johnson, Staff Director, House Post Office and Civil Service Committee, and discussed with him the Comptroller General's ruling of 20 August concerning administrative adjustment of compensation schedules to be effective 5 July 1964, the date established in the Federal Employees Salary Reform Act of 1964. Mr. Johnson was very pleased with the finding in favor of the Agency position. It is his judgment that publication of an internal notice within the Agency and publication by the Comptroller General of the 20 August opinion on Wednesday, 26 August, should not affect in any way consideration of H.R. 5932 when Congress reconvenes after the Democratic Convention."
